

DON'T EXPERIMENT

You Will Make No Mistake if You Follow This Barton Citizen's Advice.

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are frequently symptoms of kidney trouble, and a remedy which is recommended for the kidneys should be taken in time. Doan's Kidney Pills is a good remedy to use. No need to experiment. It has acted effectively in many cases in Barton. Follow the advice of a Barton citizen.

Van B. Hitchcock Main street, Barton, says: "I consider Doan's Kidney Pills a valuable backache and kidney remedy. I, as well as others of my family, have used this medicine for kidney complaint and lame and aching back and it has done a world of good. I never took another remedy that brought such relief as Doan's Kidney Pills."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hitchcock had. Foster-Milburn Co., Props., Buffalo, N. Y.

Wait Paint

There are painters and waiters. Which am I going to do? Paint or wait?

Which is better? How much am I worth with my property waiting? How much if I paint? Will my house be worth more or less if I paint?

Say it costs \$2.00 a gallon D-voe—I wouldn't paint any other—\$3 or \$4 more for putting it on. That's \$50 or \$60 a 10-12 gallon job.

The money is gone. Is it in the house? Is it all in the house?

Suppose I were selling; what should I get for that house fresh-painted and what should I get for it needing paint?

I wonder why men paint before selling!

DEVOE

The E. W. Barron Company sells it.

She had seemed as well as usual and had been for a long walk with her niece and a neighbor that morning. She was apparently in excellent spirits and took great pleasure in the newly awakened life of the trees, shrubs and plants she saw. She was a kind neighbor and a faithful worker in the Adventist church, of which she was a member. BARCAROLE.

Small fingers on the silken strings;
Sunset and rising moon;
Far hills of lapis, whirr of wings
Of homing birds in June;
And thou wert there, the twilight
On thy brow—
O bitter is the biwa's music now!

Beneath the scented tamarinds
On some celestial trail
We drifted with the purple
winds
That filled our sampan sail;
The purple winds blow once and
and not again—
O bitter is the biwa's tender
strain!

Good Cows in Lamolile Association.

The Lamolile Valley Cow Testing association continues to maintain its high standard by submitting the long list of cows which have produced 1000 pounds of milk or 40 pounds of butter fat, or over, during the month of March. It clearly proves that by		intelligent use of the association the inferior stock is eliminated and better cows put in its place. Since the association has been in operation for three years it has never had such a large number of high-producing cows as during this past winter. The list is as follows:

Vermont Notes.

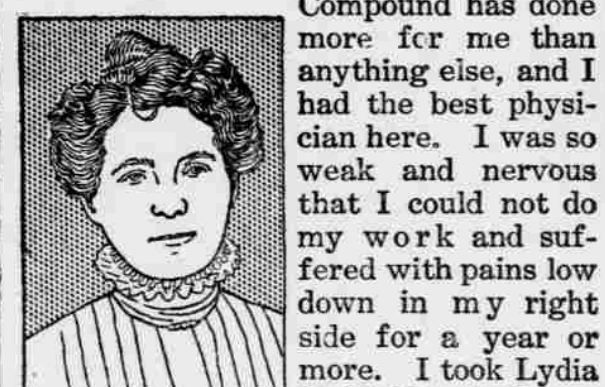

Marshall Perham, a brother of Leon Perham, who is serving a life sentence in the state's prison for assisting Mary Rogers in the killing of her husband in Bennington in August 1902, is awaiting a hearing on the charge of having assaulted John H. Hill of Pownal and shooting the latter twice with an old-fashioned pistol.

An explosion of dynamite caps which were stored away under the stairway at the home of Louis Ricci in Rutland, caused fatal injuries to Alfred Mainolfi, six-year-old son of Mr. and Mrs. Frank Mainolfi, and very serious injuries to the lad's father Thursday evening. The youngster, who was watching his father at work changing some treads on the stairway leading from the first to the second floor, was seated on the third or fourth step when the explosion occurred and the force of the caps blew his left hand entirely off, fractured his left leg near the hip, seriously cut right leg and he was thrown a considerable distance by the impact, tumbling out of the door onto a small stoop in front of the Ricci home.
